Love and Respect - Based upon Ephesians 5:33 and extensive biblical and psychological research, this study reveals the power of unconditional love and unconditional respect and how husbands & wives can reap the benefits of marriage that God intended.

MONDAY

Starting Point - Starting Point is an 8-week gathering where your questions about God turn into a conversation about faith. In a Starting Point group, you can discuss your doubts and explore the trickiest topics of faith, free from pressure and judgment.

The Five Love Languages - The 5 Love Languages has transformed countless relationships. Its ideas are simple and conveyed with clarity and humor, making this study as practical as it is personable. You'll be inspired by real-life stories and encouraged by this study's commonsense approach.
